- Tuition contribution due for winning applicants: June 15, 2017

### HOT TIPS (suggested but not required)

- Send all application materials together—and mail early.
- Write a cover letter from the heart and tell us your story.
- Be creative to make your application stand out. For example, include photos, drawings, etc.—anything that shows more about who you are.
- Be flexible with campus and date choices.
- Make sure the student, not the parent, fills out the student section.
- Show your enthusiasm for attending SuperCamp by completing multiple items on the Commitment Agreement.

### GENERAL

- We award full and partial scholarships.
- Travel costs to and from SuperCamp are not included. Make sure you can afford the transportation costs before applying for and accepting a scholarship.
- Previous winners can apply but priority is given to applicants who have never attended SuperCamp.
- Your letter of reference can be from a coach, a counselor or a teacher. We are looking for them to speak specifically about their experience with you. They do not have to know anything about SuperCamp but we recommend that you refer them to SuperCamp.com to learn about the program.
- The number of full and partial SuperCamp scholarships awarded each year varies and depends on the amount of funds donated to LFI for SuperCamp scholarships and the amount that families contribute toward tuition.
- Awards are based on the academic and personal needs of the student and the financial need of the student's family.
